📙 CAREER OBJECTIVE

Former CTO and co-founder of a health & fitness startup, leading a team of over 10 employees and partners, with a passion for building impactful tech solutions. I bring a strong mix of **technical expertise**, **product thinking**, and **hands-on leadership** -guiding teams from idea to execution.

I also bring strong experience in **presentations, client or stakeholders meetings**, and communicating complex ideas clearly across engineers, executives, partners, and domain experts—aligning teams and shifting perspectives when it matters most.
